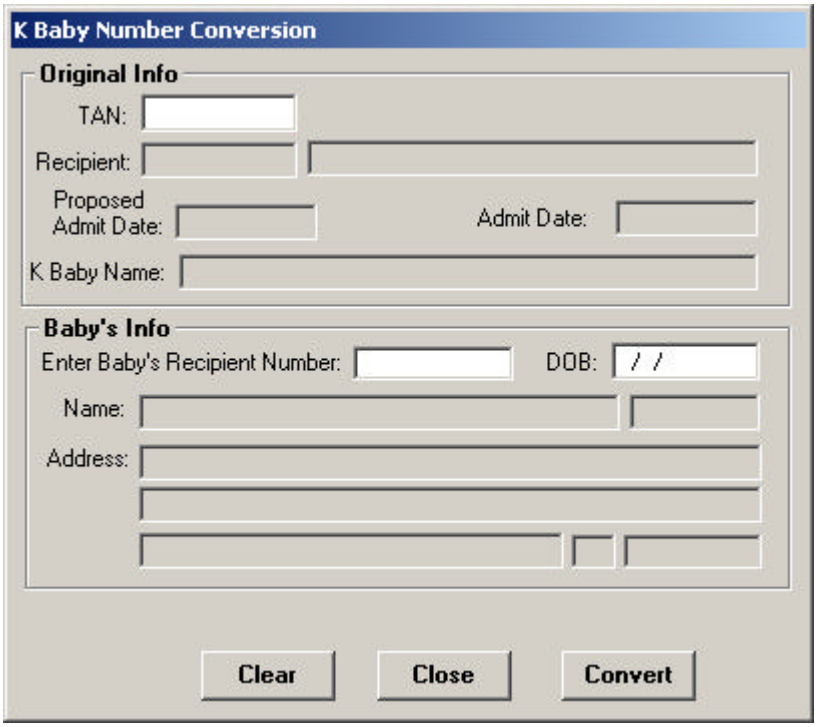
Enter K Baby BIN

To retrieve the data field for entering K Baby Beneficiary Identification Numbers, select

Enter K Baby BIN

⇒ Under the "K Baby BIN", enter the Treatment Authorization Number (TAN) - Mom's and Baby's info will be filled in.

⇒ Next enter Baby's number.

⇒ Please verify this information is correct before selecting the convert button.


Once "Convert" has been pressed, the changes will be complete and a letter will be transmitted to the fiscal agent, the facility, and the physician
